**The Real Suffrage  
Thought of Women**

Brotherhood is the thought uppermost in  
woman's mind. And with it, of course,  
comes the question of  
comfort, of helpful  
aids, and inducements.  
Among the best of  
these is a well known  
external remedy,  
"Mother's Friend."  
It is gently applied to  
the surface muscles.  
These are lubricated,  
the nerves are relaxed,  
and the circulation is  
restored. It is a nature  
requirement without the  
strain and pain on  
cords and ligaments.  
This influence extends  
through the myriad of nerves to deeper sur-  
faces, the internal organs. And thus a  
confidence in herself. And as the applies  
to the mind of the mother, but upon the  
baby to come.

A point upon which all experienced people  
agree is the accepted fact that whatever an  
expectant mother may do for herself that is  
safe and harmless is bound to encourage  
confidence in herself. And as the applies  
"Mother's Friend" with her own hand when-  
ever required and just where needed, she  
encourages to forget those apprehensions so  
often imagined.

Young mothers who have used "Mother's  
Friend" have written to say how rejoiced  
they were at the absence of morning sickness,  
extreme nervousness, and other distresses of  
which they had heard and feared. Get a  
bottle of "Mother's Friend" at any drug  
store. Simply apply it over the stomach mus-  
cles and rest assured of perfect safety and  
comfort day and night. Write to Bradfield  
Regulator, 703 Lamar Bldg., Atlanta, Ga., for  
their handsome and instructive book.

**MR. ROBINSON**

Prominent Republican and For-

ture Passes On.

PARKERSBURG, June 3.—The  
funeral of Sherman Robinson, whose  
death occurred Monday at his home  
in Harrisville was held yesterday af-  
ternoon and was attended by several  
of his local friends.

Mr. Robinson was in Parkersburg  
two weeks ago looking after a bank-  
ruptcy case in which he was inter-  
ested. At that time it was noted  
that he was extremely weak and was  
barely able to talk above a whisper.

Only a few weeks ago he consulted  
specialists in Baltimore, but was  
given no encouragement, and re-  
turned home to prepare for the end.

Mr. Robinson was 46 years of age  
and was born in Calhoun county. He  
was an able lawyer, having been ad-  
mitted to practice early in life. He  
was admitted to practice in the su-  
preme court January 9, 1896, and  
since that time has been connected  
with much important litigation in  
the state's highest tribunal.

He was a prominent member of  
the legislature of 1909, and served  
as chairman of the Judiciary com-  
mittee of the House of Delegates. He  
also had been a member of the House  
of Delegates in 1913.

He was an ardent Republican po-  
litician and an active member of the  
Methodist Protestant church.

He is survived by his wife, Mrs.  
Eva Robinson, and two daughters,  
Geraldine and Nelle.

INDUSTRIAL, June 3.—There has  
been quite a little excitement here  
over a mysterious woman dressed in  
white with a long white veil. It is  
supposed that it is some one trying

slightly demented. She was seen by  
several citizens of this place around
